MARKETSCAPE outdoor

Clodagh
for **RH**

product Cosima.
standout The tapered form of primitive drums inspired this planter in glass fiber-reinforced concrete by the *Interior Design* Hall of Fame member. rh.com

Patrick Naggar
for **Ralph Pucci International**

product Positano.
standout Fetching enough for inside but suitable for outdoor, the chairs begin as clay sculptures before they're cast and rendered in resin. ralphpucci.net

Stephen Burks
for **Dedon**

product Others.
standout Perched on a marble base, the LED lanterns of woven proprietary synthetic fibers are accessorized with handmade acrylic eyes. dedon.de

Éric Petit, Grégoire Jeanmonod, and Augustin Scott de Martinville
for **Tectona**

product Clubhouse.
standout The extra bonus of this solid teak armchair with optional seat cushion by the Big-Game founders is that it's stackable. tectona.net
